

# May The Rain

## Caesars

May the rain keep fallin' on your head  
I'll make you pay for all the tears I've bled  
May you die alone in your bed  
Baby, one day you will wake up dead

But every time you talk to me  
And you whisper dirty words to me  
And I start to fall apart all over again  
You got me where you want me again

Na na na  
Na na na  
Na na na

But every time you talk to me  
And you whisper dirty words to me  
And I start to fall apart all over again  
You got me where you want me again

Can't you hear me callin' out your name?  
The disappointment, tears and all this shame  
All these useless years that I've spent  
Tangled up inside this stupid game

Na na na  
Na na na  
Na na na
