I'm calling the house now
and you ain't even around

I'm trying to get a hold of you
feel like your pushing me away
and I don't know what to say
but if you want me to move on
I will
boy I will
and if you want to move on

but baby I gone

24 hours and I ain't coming home
baby I'm gone
I'm gone Because an 24 hour boy I ain't coming home

sitting at the office
handling all my business
looking at the time fly
trying to find the resin y
you don't answer my call you don't return my text

I don't know what to say
but if you want me to move on
