

# I Just Can't Wait to be King

## The Lion King

I'm gonna be a mighty king  
So enemies beware  
Well, I've never seen a king of beasts  
With quite so little hair  
I'm gonna be the mane event  
Like no king was before  
I'm brushing up on looking down  
I'm working on my roar  
Thus far a rather uninspiring thing  
Oh, I just can't wait to be king  
(You've rather a long way to go)  
(Young master, if you think)  
No one saying do this  
(Now when I said that, I)  
No one saying be there  
(What I meant was)  
No one saying stop that  
(Look, what you don't realize)  
No one saying see here  
(Now see here)  
Free to run around all day  
(Well, that's definitely out)  
Free to do it all my way

I think it's time that you and I  
Arranged a heart to heart  
Kings don't need advice  
From little hornbills for a start  
If this is where the monarchy  
Is headed, count me out  
Out of service, out of Africa  
I wouldn't hang about  
This child is getting wildly out of wing  
Oh, I just can't wait to be king  
Everybody look left  
Everybody look right  
Everywhere you look  
I'm standing in the spotlight  
Not yet

Let every creature go for broke and sing  
Let's hear it in the herd and on the wing  
It's gonna be King Simba's finest fling  
Oh, I just can't wait to be king  
Oh, I just can't wait to be king  
Oh, I just can't wait to be king
