Love La

Knoc-turn'al

West Coast, West Coast, West Coast
West Coast, West Coast, West Coast
West Coast, West Coast, West Coast
West Coast, West Coast, West Coast
If you with it, then I'm with it
We can do it in a minute
Open up and let me hit it
Big hips I'm workin' with it
Born and raised, that's why I love LA
Got my life then I'ma live it
Need some money, I'ma get it
Shoot first then get a grip
That's about how Cali live it
Lookin' for a super chicken
I can give a super dick in
Her man don't even know she missin'
Everyday
Chrome 100 spoke spinnin'
Glocks spittin', Hennessey sippin'
Wanna party, I ain't trippin'
64 hittin', stay representin', I was
Born and raised, that's why I love LA
I'm gone keep dippin', yeah
I'm gone keep switchin' lanes
I'm gone keep ridin'
You know there ain't a damn thing changed
You pop lock, we pop glocks
I just came to have some fun and get drunk
In the club I came to party
Born and raised, that's why I love LA
Cadillac 4 do with a ho named Po Ko
Spit flame, got the rap game in a choke hold
Hoppin' lo lo's on Dayton Danes in mo mo's
Born and raised, that's why I love LA
Ain't no place like home, I hate being on promo
I don't like dressin', I don't smoke hydro
Yeah, I got kush and I roll with a fo fo
Bulletproof vest and a kilo of do do
Minglin', I'm dippin' and dabbin'

I don't care if that's yo bitch I'm still stabbin'
You pulled heat and don't pop I'm laughin'
I was
Born and raised, that's why I love LA
I'm gone keep dippin', yeah
I'm gone keep switchin' lanes
I'm gone keep ridin'
You know there ain't a damn thing changed
You pop lock, we pop glocks
I just came to have some fun and get drunk
In the club I came to party
Born and raised, that's why I love LA
I'm gone keep dippin', yeah
I'm gone keep switchin' lanes
I'm gone keep ridin'
And you know there ain't a damn thing changed
You pop lock, we pop glocks
I just came to have some fun and get drunk
In the club I came to party
Born and raised, that's why I love LA
Born and raised, that's why I love LA
