

# Set the World on Fire

## Black Veil Brides

Saints born together to fight against their holy fables  
The streets are where we pray  
Hymns for the lonely, wretched and forgotten  
The feeling in our hearts won't ever fade away We stand tall (united)  
Watch them fall (divided)  
Break the chains and now we'll show them all (fight) Fight for all you know  
When your backs against the wall  
Stand against the liars  
Stronger than before  
When your life becomes a war  
Set the world on fire Sing out united against the ones you left in hatred  
Our message of today  
Like children crying when all they knew was dying  
And we will raise our flags up  
It's time for them to pay We stand tall (united)  
Watch them fall (divided)  
Break the chains and now we'll show them all (fight) Fight for all you know  
When your backs against the wall  
Stand against the liars  
Stronger than before  
When your life becomes a war  
Set the world on fire Woahh ohhh  
So sing it loud you hold the key  
We're the rebels and we're free  
Woahh ohhh  
It's time to burn all that you see  
Now the world belongs to me (Guitar Solo) Fight for all you know  
When your backs against the wall  
Stand against the liars  
Stronger than before  
When your life becomes a war  
Set the world on fire Proud in all you are  
Showing every scar  
As your badge of honor  
When you can't take anymore  
Of what they're living for  
Set the world on fire
