Playa's Only (feat. The Game)

R. Kelly

I hope y'all got y'all playa's cards
'Cause, y'all ain't getting in unless ya doBounce, it's the new 12 play
Bounce, throw the pussy like l way
Bounce, I wanna see ya tail shake
Bounce, when you hear R. Kell sayPlaya's only, where them chicks be jerkin' their bodies
Up in the club where they get real naughty
Take 'em from here to the private party
Where there ain't nothing butPlaya's only, where the playa's be spinnin' a lot of dough
Honies got ass bouncing on the floor
This is how we do behind the playa's doorShe on the floor, surrounded by them playa's and thugs
She on the floor, the girls gone wild in the clubs
In VIP, got drough with a bottle of bub
She don't care, shakin' ass just throwin' 'em upI'd really like to know her, the way she warms her
Body up, now she heated, got me heated up
I can find, I really wanna beat it up
Show her how I hit the bottle and spend it upYou ain't gotta worry 'bout being alone
'Cause, tonight we'll be together in my home
Exit out the club bouncin' our domes
Got that red Coupe matchin' the chromePut that body in motion, motion
And watch it wave like ocean, ocean
Now break it down and worm it, worm it
Now bring it up and shake it, shake itPlaya's only, where them chicks be jerkin' their bodies
Up in the club where they get real naughty
Take 'em from here to the private party
Where there ain't nothing butPlaya's only, where the playa's be spinnin' a lot of dough
Honies got ass bouncing on the floor
This is how we do behind the playa's doorI'm still fresh like, uh, Impala, uh
Dre's young guns, still ridin', the base drums
Four times platinum, hate it or love it, I'm still number oneStill in the hood one hand on my gun
And my trigger finger still make bitches come
I mean, the one with the ring and the tongue
Compton, uh, Kelly found her in the slumsShakin' that rump both hands on the pumps
Send her home with me, I'll have your girl yellin' uh
Kell's, my bitch drunk, but until girlfriend still wanna have funPass the blunt, let her drink red rum
Bet she ain't never seen a penthouse at The Trump
Me and R been around the world
And we'll give it to you just how you like it, girlGirl, you on a mission step in club shuttin' down competition
The way you walk it, talk it, switch it
And when the doors close, handle your business

Now make your booty goBoom, boom, boom, break it down now
Boom, boom, boom, bring it up now
Boom, boom, boom, push it back girl
Boom, boom, boom, now shake, shake it, shake it, shake itOut the club in the Coupe to the mansion
We gonna get bent up to the morning
Layin' back in the chair, while you wind it
Lap dance on me girl, bump and grind it
We gone do it till we drop it
Until the party stop, we gonna keep it hotPlaya's only, where them chicks be jerkin' their bodies
Up in the club where they get real naughty
Take 'em from here to the private party
Where there ain't nothing butPlaya's only, where the playa's be spinnin' a lot of dough
Honies got ass bouncing on the floor
This is how we do behind the playa's doorI like it when you flip that, bump that, roll that
Shake that, drop that, rope that, make it go clap, clap
Flip that, bump that, roll that
Shake that, drop that, rope that, make it go clap, clapPlaya's only, where them chicks be jerkin' their bodies
Up in the club where they get real naughty
Take 'em from here to the private party
Where there ain't nothing butPlaya's only, where the playa's be spinnin' a lot of dough
Honies got ass bouncing on the floor
This is how we do behind the playa's door
