

For You

Get Scared

I lost myself in a bottle of gin, and I'm wasted all the time.
One more shot for all my fucking failures.
I might just end my life.
And I think, if I'm not mistaken,
I may be breaking down.
I might be acting a fool, and I'm breaking the rules but I truly believe that I'll never be cool.
I feel neglected,
Young and reckless now. I'm so crazy,
But I just may be,
The type of personality that compliments your style.
And I'm just waiting,
For the day you'll save me,
From myself 'cause I can't help the way I feel for you.
For you. I found myself in a world of hurt and I'm lookin' for a friend.
The devil called me up with a proposition,
Forgave me for my sins.
And I don't know but I've been told that rock'n'roll is dead.
I've been losing myself but I never have dealt with the problems I've had, not needing the help.
I feel neglected,
I'm young and reckless now. I'm so crazy,
But I just may be,
The type of personality that compliments your style.
And I'm just waiting,
For the day you'll save me,
From myself 'cause I can't help the way I feel for you.
For you. I feel like I'll be okay and,
I hope I can just maintain it.
I will not let myself become my problem.
And I know that If I can try it,
I might one day really find it.
I will not stop until I truly solve this.
Solve this! I'm so crazy,
But I just may be,
The type of personality that compliments your style.
And I'm just waiting for the day you'll save me,
From myself 'cause I can't help the way I feel for you.
For you. I'm so crazy,
But I just may be,
The type of personality that compliments your style.

And I'm just waiting,
For the day you'll save me,
From myself 'cause I can't help the way I feel for you.
For you,
For you,
For you.
For you.
