Everything Is Fine

Femke

I got a home down on the river
I?m married to the woman of my dreams
Got a good truck that gets me down the highway
Everything is perfect or so it seems
Mama and Daddy come by sometimes
And everything is fine
My old dog does a little singing
Late at night when the moon gets bright
Sunday mornin?, hear the church bells are ringin?
Let us go and see who?s getting baptized
We gonna take us a Sunday drive
?Cause everything is fine
Everything is fine, fine, fine
Through the sunshine and the rain
I got a peace of mind
You know I can?t complain
I make it a point to thank the Lord
When I got Him on the line
I?m feeling good and everything is fine
Got the same job down at the warehouse
Ain?t never been rich but I sleep at night
Got a little girl that looks like her Mama
She likes it when Daddy tucks her in real tight
One night this week we?re gonna have a fish fry
?Cause everything is fine, fine, fine
Through the sunshine and the rain
I got a peace of mind
You know I can?t complain
I make it a point to thank the Lord
When I got Him on the line
I?m feeling good and everything is fine
I make it a point to thank the Lord
When I got Him on the line
I?m feeling good and everything is fine
I?m feeling good and everything is fine
