

My Secret (Didja Gitit Yet?)

New Edition

Girl, I've got a secret, see if you can guess
Put your heart into the problem and you pass the test
Can you see it?
It's a natural occurrence but one and one makes two
And if I've been acting crazy that's just one more clue
When I see you Oh, buildings start to shake, do a double take
Didja gitit yet? Gitit yet? Gitit yet?
Ooh, my secret
Ooh, sparks begin to fly, lightening in the sky
Didja gitit yet? Gitit yet? Gitit yet?
My secret Didja gitit yet? Didja gitit yet?
Didja gitit yet? Didja gitit yet?
Didja gitit yet? Gitit yet? Gitit yet?
Gitit, gitit, gitit, gitit, gitit yet? Girl, you still ain't guessed it and girl, there ain't much time
So move a little closer, put your hand in mine
Can you feel it?
I'm gonna to make it easy, I've even knocked it out
Before the night is over there will be no doubt
You'll find out Oh, buildings start to shake, I do a double take
Didja gitit yet? Gitit yet? Gitit yet?
Ooh, my secret
Ooh, sparks begin to fly, lightening in the sky
Didja gitit yet? Gitit yet? Gitit yet?
My secret Didja gitit yet? Didja gitit yet?
Didja gitit yet? Didja gitit yet?
Didja gitit yet? Gitit yet? Gitit yet?
Gitit, gitit, gitit, gitit, gitit yet? Come on girl, you only got three guesses
And you're not even close
Ooh, now you're getting warmer
Ooh, now you're hot Oh, buildings start to shake, I do a double take
Didja gitit yet? Gitit yet? Gitit yet?
Ooh, my secret
Ooh, sparks begin to fly, lightening in the sky
Didja gitit yet? Gitit yet? Gitit yet?
My secret Oh, buildings start to shake, I do a double take
Didja gitit yet? Gitit yet? Gitit yet?
Ooh, my secret
Ooh, sparks begin to fly, lightening in the sky
Didja gitit yet? Gitit yet? Gitit yet?

My secret Oh, buildings start to shake, I do a double take
Didja gitit yet? Gitit yet? Gitit yet?
Ooh, my secret
Ooh, sparks begin to fly, lightening in the sky
Didja gitit yet? Gitit yet? Gitit yet?
My secret Oh, buildings start to shake, I do a double take
Didja gitit yet? Gitit yet? Gitit yet?
Ooh, my secret
Ooh, sparks begin to fly, lightening in the sky
Didja gitit yet? Gitit yet? Gitit yet?
