What Have You Done

DJ Solo

Nothing else matters in the world today
You know my car won't start and there's bills to pay
I've left my summons on the bedroom floor
You know they just don't scare me anymoreAll these things will change in time
Everything will turn out fine
If my prying conscience calls
I'm not home, not here at all[Chorus]
Ooh what have you done
I'm feeling like a rebel today
Ooh what have you done
You've made me believe I am someoneI've turned my back on the girl of old
You know I've packed her off with her self control
Its written on the lines her upon my face
You know I'm just not suited to obedienceI won't be told what's cool to wear
I won't told I can not swear
I make my rules up as I go
A love defiance don't you know[Chorus]
