

# I'll Be There

## Hardline

Na na na  
Na na na  
Na na naI know how you feel, girl, I've been there many times before  
I got a pick up, I'm walkin' out the door  
Sometimes hopin' is all that we can do  
In mind and spirit, girl, I'm always there for youEvery time I think about us, the way it's got to be  
You know someday we will work it out  
When all that we wish for is just a memoryAnytime you need me, I'll be there  
Anytime at all, just say the word  
Just you say the word and I'll be there  
Anytime you need me, girl I will be thereThe nights seem longer, the days feel just the same  
Well a little more lonelier than yesterday  
Sometimes words ain't easy to explain  
Whether I'm here or gone, the feeling stays the same, oh yeahEvery time I think about us, the way it's got to be  
You know someday we will work it all out  
When all that we wish for is just a memoryAnytime you need me, I'll be there  
Anytime at all, just say the word  
Just you say the word and I'll be there  
Anytime you need me, girl I will be thereOh yeah, oh yeah, alrightAnytime you need me, I'll be there  
Anytime at all, just say the word  
Just you say the word and I'll be there  
Anytime you need me I will be thereNa na na  
Na na na  
Na na na
