

If Only You Knew (Jeftuz Remix)

KeKe Wyatt

I must have rehearsed my lines a thousand times,
Until I had them memorized.
But when I get up the nerve to tell you,
The words that never seem to come out right oh If only you knew how much I do,
Do love you, oh.
If only you knew,
How much I do, do need you. I dream of moments we share, but your not there,
I'm living in a fantasy.
But you don't even suspect,
Could probably care less,
About the changes I been going through. If only you knew how much I do,
Do love you, oh.
If only you knew,
How much I do, do need you. Play on No, you don't even suspect,
Could probably care less,
About the changes I been going through. If only you knew how much I do,
Do love you, oh.
If only you knew,
How much I do, do need you. Oh, if, if
Oh, You don't know how much you don't know
I said you don't know,
How much I need you sugar,
Only you knew,
How much I do,
I love you baby, only if you knew how much I do,
I love you baby, I need you baby
