

Low Day

Capra

Red, Blue, Green lights
Flicker undercover
Miss me like no other.

Blackout trailblazing
Jokin' underwater
Miss me like no other.

We get a little lonesome
We get a little low sometimes.

And what you say
Just fades away
Get down on a low day.

Black dress, gang of rouge
She won't eve bother
Miss me like no other.

Time laid back on the sea
We're gonna sail the world
While we are fast asleep.

We get a little lonesome
We get a little low sometimes.

And what you say
Just fades away
Get down on a low day.

I get mine, I get mine
Little Gucci little mama
Ain't worth my time.

We get a little lonesome
We get a little low sometimes.

And what you say
Just fades away
Get down on a low day.
