Today's Goodbye

Camel

Closing my eyes reliving a time when love was strong
Feelin' your change of heart a sign when love went wrong
I'm tired of analysing everything you say,
Trying to hold on to what went before the day,
we threw it away.It seems now there isn't any need to keep hangin' on
The mood in the night of a lonely room has gone on too long
I've looked from every angle I have found and yet,
Trying to hold on and pick up the pieces we've left
or try to forget.Today's
(A last chance to decide)
Goodbye
(Unless you change your mind)
And I won't ask again
I never could pretend.Today's
(A last chance to decide)
Goodbye
(Unless you change your mind)
But I won't ask again,
Oh no,
No I won't ask again.
