Punk Rawk Celebrity

Mxpx

You wake up in the morning, don't remember a thing
And now your face is staring back from magazines
This is everything you've ever dreamed
Rapid hearts are beating, faster breathing
Punk rawk celebrity is, oh so fleeting

Don't push that red button, it'll blow up your face
You feel like your whole life you've been running a race
Is there anybody with you in this place?
Rapid hearts are beating, faster breathing
Punk rawk celebrity is, oh so fleeting

Punk rawk celebrity is an oxy moron
To be a PRC, a Punk Rawk Celebrity
Put all your best clothes, put your best make up on

You've made such a big mess, let's call it success
You've made such a big mess, let's just call it success
We all know, we all know, we all know you
We all know, we all know, we all know you
We know, it just isn't true

We all know, we all know, we all know you
