Yeah Coming from Montego Bay  
I stop in Gully, Flanka, Salem  
I reach down to Ochi Rios  
But first i pass rite in Trilawny  
Shizzle my Nizzle den I reach down to Ochi  
Come thru Flatbridge

I stop in Spanish Town  
I hail up to all my gangsta friends  
Yeah den i reach over Village  
Hail up Pen Henry and those family.
