

If AT&T Drank Tea What Would BP Do?

Future of the Left

was he socialised when he found an audience
and how will that influence dying in his thirties?
i saw him yesterday clogging up up existence
he almost denies himself with every other sentence
nobody understands living as a shadow
almost by definition nothing is accepted the gammon on the bed was fine, danny
the gammon on the bed was fine
it didn't really spoil our stay, danny
it didn't really spoil our stay lock jaw
