

I Love Her

Chris Brown

I should've been a better man
Instead of wasting time spending my life searching for the finer things(woahhhhh)
You always gave me another chance to make it right
But I didn't deserve, cause I didn't understandAnd I feel so bad
Cause you wouldn't do the same with me
But I know what your weakness is
And you feel so bad
I know you're on an open road, so gone not looking backI thought I had you on a leash
Like I could do whatever I wanted to, when I wanted to, and you was gonna wait for me baby, nooo
And now the tables are turning,now i feel like you're the master and I'm on the strings
You're in control of me
And I feel so bad
And now you're doing it to me
Cause you know what my weakness is
And you feel so bad
And now I'm on the open door, tryna go but I'm looking backI'm looking for her
I'm trying to find herI really need her
I think I love herI'm looking for her
I'm trying to find her
I really need her
I think I love herYou can blame it all on me
I know it's like this because of me
Now I'm just like a hitchhiker waiting for a ride with no cars insight
And it feels so bad
Cause you wouldn't do the same to me
Cause I know what your weakness is
And I feel so bad
I know you're on an open road, long gone I can't have you backI'm looking for her
I'm trying to find her
I really need her
I think I love herI wanna see her
I don't ever wanna leave ya
I wanna keep ya
I think I love her
