

Dominated Love Slave

Green Day

I wanna be your dominated love slave
I wanna be the one who takes the pain
You can spank me when I do not behave
Mack me in the forehead with a chain'Coz I love feeling dirty
And I love feeling cheap
And I love it when you hurt me
So drive them staples deep I want you to slap me an' call me naughty
Put a belt sander against my skin
I want to feel pain all over my body
Can't wait to be punished for my sins'Coz I love feeling dirty
And I love feeling cheap
And I love it when you hurt me
So drive them staples deep And I love feeling dirty
And I love feeling cheap
And I love it when you hurt me
So drive staples
