Wasted

BulletProof Messenger

It's on the way (it's on the way)
The sunny day
Over, over, not today
It's on the way
The sunny day
Over, over, not today

(Cause I waste my life)
It's oh such a beautiful day

So break down the doors
Please, just put me away
I think I've had more than I can ever take
Do you really believe that this is your world?
That everyone else is just livin' in -

(Your rules aren't meant for me)
Your rules aren't meant for me

And though times changed I remain (the same)
Cause I waste my life
It's oh such a beautiful day
I step to the edge and scream (it away)
Cause I waste my life
It's oh such a beautiful day

Your precious connection is fading away
My antenna is down, I can't communicate
Are you speaking in tongues, can you even relate?
Why don't you just tell me what you really hate?

(Your rules aren't meant for me)
Your rules aren't meant for me

And though times changed I remain (the same)
Cause I waste my life
It's oh such a beautiful day
I step to the edge and scream (it away)
Cause I waste my life

It's oh such a beautiful day

I never say what I truly mean
I never say, anything
I'll never say (I'll never say)
I'll never say (I'll never say)
And tell you anything

And though times changed I remain (the same)
Cause I waste my life
It's oh such a beautiful day
I step to the edge and scream (it away)
Cause I waste my life
It's oh such a beautiful day

It's on the way
The sunny day
Over, over, not today

It's on the way
The sunny day
Over, over, not today
