

I Wouldn't Normally Do This Kind of Thing

Pet Shop Boys

Ask me why, I say it's most unusual
How can I even try to explain
Why today I feel like dancing
Singing like lovers sing
When I wouldn't normally do this kind of thing
I wouldn't normally do this kind of thing Ask me when, I say it started when I met you
And ever since then I knew that the past couldn't last
For right now, I think I'm running
A race that I know I'm gonna win
And I wouldn't normally do this kind of thing
I wouldn't normally do this kind of thing If people say I'm crazy, I tell 'em that it's true
Let them watch with amazement
Say it won't last beyond breakfast
It's a phase he's going through
Denigrate or speculate on what I'm going through
Because it isn't the sort of thing I normally do Ask me once, I say I think it's good for you
Believe it or not, I know where it's all leading to
I feel like taking all my clothes off
Dancing to the rite of spring
And I wouldn't normally do this kind of thing
I wouldn't normally do this kind of thing
I wouldn't normally do this kind of, this kind of thing
