You May Never Know

Johnta Austin

you may never get how I feel for you
you may never get that my love is true
you may never see that I cried tonight
just to think about you not in my life
the one that I want, the one that I call,
the one that I hold dear
the one that shows me that I'm their only
who always wants me near
and I will be the same for you
if you got me you can't lose
'cause baby I'm gonna do
everything it takes to keep this brand new
ooooh ooooh
I'll give you all my love and all my time
and still you may never know
that a love like yours is hard to find
baby you may never know
that what I feel for you
I ain't never felt for nobody
baby, I give my heart and soul
my body and so much more
and still you may never knowthat my biggest rush is to kiss your lips
and to feel your touch
you never grasp what I really mean
when I say that you're so fine
the one that I want, the one that i call
the one that I hold dear
the one that shows me that I'm their only
who always wants me near
and I will be the same for you
if you got me you can't lose
'cause baby I'm gonna do
everything it takes to keep us brand new
ooooh ooooh
I'll give you all my love and all my time
and still you may never know
that a love like yours is hard to find
baby you may never know
that what I feel for you

I ain't never felt for nobody
baby, I give my heart and soul
my body and so much more
and still you may never knowthere's so many things I wanna say to you
more then anything I never want you to hurt
and all I can say is if you believe in me,
like I believe in you
there is nothing that we can't do
I said there's nothing we can't make work
baby you have my wordI'll give you all my love and all my time
and still you may never know
that a love like yours is hard to find
baby you may never know
that what I feel for you
I ain't never felt for nobody
baby, I give my heart and soul
my body and so much more
and still you may never knowI'll give you all my love and all my time
and still you may never know
that a love like yours is hard to find
baby you may never know
that what I feel for you
I ain't never felt for nobody
baby, I give my heart and soul
my body and so much more
and still you may never know
