[illegible]

I'm coming up  
(Coming, coming, coming up)  
I'm coming up  
(Coming, coming, coming up)  
I'm coming up  
(Coming, coming, coming up)  
I'm coming up  
(Coming, coming, coming up)  
I'm coming up  
(Coming, coming, coming up)  
I'm coming up  
(Coming, coming, coming up)  
I'm coming up  
(Coming, coming, coming up)  
I'm coming up  
(Coming, coming, coming up)  
I'm coming up  
(Coming, coming, coming up)  
I'm coming up  
(Coming, coming, coming up)  
Coming, coming, coming up  
Coming, coming, coming up  
Coming, coming, coming up
