Ring on Every Finger

Locash

I've got a pounding in my chest baby
Feels like I'm seventeen again
Got something burning a hole in my pocket lately
Done asked your daddy, done told your friendsI ain't gettin' down on one knee
Girl, I'm gettin' on two
Might be over the top
But I tell you what I'm gonna doI'll put on a ring on every finger
Just to show that I'm legit
Gonna try my last name on ya girl
Just to see if it fits
If I could baby I would marry you a million times,
Put a ring on every finger
Just to show the whole world that you are mine
Show the whole world that you're mineWell seÃ±orita, can't nothing be sweeter
Than you in that white wedding dress,
Even the church and white limousine
Girl, why you cryin', it ain't rocket science
All you gotta do is say yes
Spend the rest of your life with meDon't you know I ain't gettin' down on one knee
Until I'm gettin' down on two
It might be over the top
But I tell you what I'm gonna doI'll put on a ring on every finger
Just to show that I'm legit
Gonna try my last name on ya girl
Just to see if it fits
If I could baby I would marry you a million times,
Put a ring on every finger
Just to show the whole world that you are mine
Show the whole world that you're mineCome on let's spend this life together
Dropping f bombs like forever
With the whole world as a witness
Gonna flip that Miss to a Mrs.
Gonna spend this life together
Dropping f bombs like forever
With the whole world as a witness
Then I flip that Miss to a Mrs.I'll put on a ring on every finger
Just to show that I'm legit
Go ahead and try my last name on
Just to see if it fits

If I could baby I would marry you a million times,
Put a ring on every finger
Just to show the whole world that you are mine
I'll put a ring on every finger
Just to show that I'm legit
Go ahead and try my last name on girl
Just to see if it fits
If I could baby I would marry you a million times,
Put a ring on every finger
Just to show the whole world that you are mine
Show the whole world that you are mine
