Smile In The Crowd

Martin L. Gore

You turned me away
Away from your actions
Forced by the violence
That always surrounds you I want your special smile
A smile in this crowd
I want your special smile
A smile in this crowd
You burnt yourself out
In that silence
I have to tell you
I ache for you still
The sound of my words
Is always so shocking
They get much louder
Each time I speak I want your special smile
A smile in this crowd
I want your special smile
A smile in this crowd Signals of progress
We're growing much older
I'm afraid that I'll leave
And my ache never goes
I want your special smile
A smile in this crowd
I want your special smile
A smile in this crowd
