Nympho

Pleasure P

Hey kids it's Borgore
Do you know what's hardcore?
Me shoving an elephant up your sister's back door
She wants foreplay, I don't wanna playï»¿ what for

This bitch is so used, I wouldn't sell her at the second hand store
'Cause her pussy is so wide
That you could put your head inside
Bring ten of your friends
And have yourself a ride

I'm telling you this bitch is crazy
She needs to be arrested
She'll suck your dick so deep
That you'll feel your dick digested

Nympho
I'm a nympho [x3]
You can get in my pants, skip the intro
I love my mom, myï»¿ dad, and my dildo

She's a nympho [x4]
She likes to fuck all day, she never stops
You'll be the two girls she'll be the cup

Nympho... [x6]
