

Warrior (Georgia)

[Nina Sublatti](#)

Fighter
Oximated
World's gonna get up and see I'm a warrior
isolated
World's gonna listen to me Violence
Set it free
Wings are gonna spread up I'm a warrior
isolated
World's gonna get up and see woohoo I'm a warrior
still stuck in my mind
I've been in danger for too long
No no no
woohoo I'm a warrior
still stuck in my mind
I've been in danger for too long
No Not a shabby
Or a money maker
World's gonna light up in peace Not in shadows
Bright a little
Not your fault you're just gonna breathe Violence
Break me free
Wings are gonna spread up
I'm a warrior
Oximated
I'm gonna get up and be
woohoo
I'm a warrior
still stuck in my mind
I've been in danger for too long
No no no
woohoo
I'm a warrior
still stuck in my mind
I've been in danger for too long
No no no
