

Please, Please, Please Let Me Get What I Want

Elefant

Good times for a change
See the luck I've had, can make a good man turn bad
So please, please, please let me, let me, let me
Let me get what I want this time Haven't had a dream in a long time
See the life I had, can make a good man bad
So for once in my life let me get what I want
Lord knows, it would be the first time
Lord knows, it would be the first time So please, please, please let me, let me, let me
Let me get what I want this time
So please, please, please let me get what I want
Lord knows, it would be the first time, it would be the first time
It would be the first time
