## Please, Please Let Me Get What I Want

## **Elefant**

Good times for a change

See the luck I've had, can make a good man turn bad

So please, please, please let me, let me, let me

Let me get what I want this timeHaven't had a dream in a long time

See the life I had, can make a good man bad

So for once in my life let me get what I want

Lord knows, it would be the first time

Lord knows, it would be the first time

So please, please, please, please, please let me, let me, let me

Let me get what I want this time

So please, please, please let me get what I want

Lord knows, it would be the first time, it would be the first time

It would be the first time
