Here 4 One

Blazin' Squad

Yeah, you dun no Blazin Squad
Were the weighty plates click
Snowflakes
Yeah, we're 'bout to blow this up
Let's get this party jumpin', oh, oh, oh, oh
Why you keep on fronting, oh, oh, oh, oh
We's only here 4 one thing, oh, oh, oh, oh
So let's just keep on grindin', oh, oh, oh, oh
I came here wive my wrist all blingin'
Neck all blingin', chics they blingin', waistline slimmin'
V.I.P. with a gang of women
Sippin' on bubbly, Dance floor were hittin'
Yo forget it playa big time is back
It's platinum big time on this track, stop that
'Coz we hip this hop this y'all can't stop this
Weighty plates click sure to rock this
W.P.C. here spittin' iller then ever
Gettin' ready to take over now or never
Let's go, let's flow, this how we roll
Let's get this party jumpin' to the end of the night
Let's take control
Dance the night away up and away we go
Krazy, the Weighty Plates Click got more to come
More ill flows to run, this party ain't begun
Let's just keep on grindin' as 1 c'mon
Let's get this party jumpin', oh, oh, oh, oh
Why you keep on fronting, oh, oh, oh, oh
We's only here 4 one thing, oh, oh, oh, oh
So let's just keep on grindin', oh, oh, oh, oh
Listen, here we go again I'm ready 2 bust
When we roll through the club, hope your ready for us
(Us)
Fill up your cups, let's go, it's time to shake
Got everybody jumpin' till we vacate the place
I'm here to bounce, that's why I'm spittin'
You people really don't know the vibes that we're hittin'
Baseline check, the decibels really blew me
Now were back like part 2 but this ain't a movie
Yo, I live life how it's meant to be

Don't think twice if I wanna spend a G
I roll blacked out 'coz that's the way it's gotta be
A lot of people see the click creep low with the best chicks
Blessed, we above the rest
And express how we feel, grind honeys
When the beats ill, keep real still roll real rough
And when the click show up the love be 4 us, yeah
Let's get this party jumpin', oh, oh, oh, oh
Why you keep on fronting, oh, oh, oh, oh
We's only here 4 one thing, oh, oh, oh, oh
So let's just keep on grindin', oh, oh, oh, oh
Let's get this party jumpin', oh, oh, oh, oh
Why you keep on fronting, oh, oh, oh, oh
We's only here 4 one thing, oh, oh, oh, oh
So let's just keep on grindin', oh, oh, oh, oh
Let's get this party jumpin', oh, oh, oh, oh
Why you keep on fronting, oh, oh, oh, oh
We's only here 4 one thing, oh, oh, oh, oh
So let's just keep on grindin', oh, oh, oh, oh
Let's get this party jumpin', oh, oh, oh, oh
Why you keep on fronting, oh, oh, oh, oh
We's only here 4 one thing, oh, oh, oh, oh
So let's just keep on grindin', oh, oh, oh, oh
Let's get this party jumpin', oh, oh, oh, oh
Why you keep on fronting, oh, oh, oh, oh
We's only here 4 one thing, oh, oh, oh, oh
So let's just keep on grindin', oh, oh, oh, oh
Hey pretty mama take your, off
Let me see you, see you, take your, off
Hey pretty mama take your, off
Let me see you, see you, take your, off
Hey pretty mama take your, off
Let me see you, see you, take your, off
Hey pretty mama take your, off
Oh, oh
