

Driving Sideways

John Mayall & The Bluesbreakers

At least you know you were taken by a pro
I know just how you feel
She talked a perfect game deflectin' all the blame
You took the jack and changed the flat
And got behind the wheelNow you're drivin' sideways
 Taken in by the scenery
 As you're propelled, along
And your companion will not help you to navigate
 For fear she may be wrong
I fear she may be wrongAnd you will say that you're makin' headway
 And put it in overdrive
 But you're mistakin' speed for gettin' what you need
And never even noticin' you never do arrive'Cause you're drivin' sideways
 If you roll down the window you'll see
 You're where you don't, belong
And your companion will not help you to navigate
 For fear she may be wrong
For fear she may be wrongAnd you're powered by the hopeful lie
 That it's just around the bend
And when this by default comes screechin' to a halt
 Let's hope that you know what to do
To start it up againDrivin' sideways, hittin' scan on the radio
 So she can sing along
And she'll sit thinkin' you're gonna handle it
 Until she's proven wrong
 Until she's proven wrong
 Until you prove her wrong
 Drivin' sideways
