

Yeah Yeah

Cyndi Lauper

Through the burning sun
Through the burning sun
And the driving rain
And the driving rain
Over the sea
Over the sea
And across the plain
And across the plain Oh, I'll ask you once
Oh, I'll ask you once
And I'll ask you again
And I'll ask you again
Won't you be my love?
Won't you be my love?
Won't you be my friend?
Won't you be my friend? Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah Well, the lights are low
Well, the lights are low
And the hour is late
And the hour is late
Don't you want me baby
Don't you want me baby
Through your garden gate?
Through your garden gate? Don't you feel it coming
Don't you feel it coming
And it feels so strong
And it feels so strong
I will never ever
I will never ever
Ever do you wrong
Ever do you wrong Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah Now the mountain is high
Now the mountain is high
And river is deep

And river is deep
We always knew
We always knew
We hold the key
We hold the key Roses red, violets blue
Violets blue, roses red
Love you baby
Till I'm dead Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
