Love Jones

Chico DeBarge

Can you help me with this Love Jones I have for you?
(Hello)
I'm so attracted to you, baby, that I don't know what to do
Can you help me with this Love Jones I have for you?
(I have for you, babe)
I'm so attracted to you, baby, that I don't know what to doWhat is this condition that you put on me
I'm having fantasies of you in an erotic sensual scene
I've tried to restrain this passionate urge
But I can use the excuse that a fantasy never hurts
Yeah, yeah, yeahLove Jones, Love Jones
(For you, baby)
I think I got a Love Jones, Love Jones
(Said I got a Love Jones, baby)
A Love Jones, Love Jones
(For your love, baby)
I think I got a Love Jones, Love Jones
(You know I got a Love Jones)Although I don't know you, I still feel the heat
That your body generates, baby, from your head to your feet
I know I could love you, baby, down to your bones
And no one can hit it better, 'cause I got a Love Jones, yeahLove Jones, Love Jones
(For you, baby)
I think I got a Love Jones, Love Jones
(For you sugar girl, baby)
A Love Jones, Love Jones
(For your lovin', your lovin', baby)
I think I got a Love Jones, Love Jones
(For you, Love Jones)
Love JonesCan you help me with this Love Jones I have for you?
I'm so attracted to you, baby that I don't know what to do
