

Video Killed The Radio Star

Asia

I heard you on the wireless back in fifty two
Laying awake intent on tuning in on you
If I was young, it didn't stop you coming through
Oh, ah, oh They took your credit for your second symphony
Rewritten by machines and new technology
And now I understand the problems you can see
Oh, ah, oh I met your children
Oh, ah, oh
What did you tell them? Video killed the radio star
Video killed the radio star Pictures came and broke your heart
Oh, ah, ah, oh And now we meet in an abandoned studio
We hear the playback and it seems so long ago
And you remember the jingles used to go
Oh, ah, oh You were the first one
Oh, ah, oh
You were the last one Video killed the radio star
Video killed the radio star In my mind and in my car
We can't rewind we've gone too far
Oh, ah, ah, oh, oh
Oh, ah, ah, oh, oh Video killed the radio star
Video killed the radio star In my mind and in my car
We can't rewind, we've gone too far
Pictures came and broke your heart
Look, I'll play with my VCR You are the radio star
You are the radio star Video killed the radio star
Video killed the radio star
Video killed the radio star
Video killed the radio star Video killed the radio star
Video killed the radio star
Video killed the radio star
Video killed the radio star Video killed the radio star
You are the radio star
