

# Hey, Hey

## Banda Zarape

Some people you can never please  
You might as well just let them be  
They mock everything not their own  
From their imaginary throne  
But I won't bow down,  
even if the whole world thinks I'm crazy  
So hey hey, this song is for us  
So put your hands in the air  
if you're crazy like us  
Hey hey  
Hey hey, that's freedom you hear

Comin' right to your ear,  
that's the sound from our bus  
Hey hey  
Why try to be like someone else  
When you can only be yourself?  
No one can sing the song you do  
Be true, be legendary you  
So I won't sell out,  
even if the whole world thinks I'm crazy  
Why kiss the feet of the people who kick you  
When you can be anything that you want to?
