Point the Blame

Catch 22

Point the blame, picture frame
Playing by the rules why you're losing the gameI think I heard it through the walls in the bathroom stalls
Or maybe in my yesteryears hanging out in my halls
We've got the rhythm wrong, sounds just like a Phish song
Please her with a tweezer, stick it in the freezer, nowSo, brother say what you want
I never know what you want from me
I'm moving up, moving on so, say goodbye
'Cause I won't say goodbye to youPoint the blame, picture frame
Playing by the rules why you're losing the game
Point the blame, windowpane
Losing 'cause you're playing by the rules of the gameSomebody, somebody, somebody said it once before
But I'm really not too sure
Who was and where was and why I'm so insecure
We've got the rhythm on, sounds just like a dead song
Nothing left to do but smile, smile, smile, smileSo, brother say what you want
I never know what you want from me
I'm moving up, moving on so say goodbye
'Cause I won't say goodbye to youPoint the blame, picture frame
Playing by the rules why you're losing the game
Point the blame, windowpane
Losing 'cause you're playing by the rules of the gameRunning around and thinking about
I can't wait to figure it out
Policeman coming so I'm running away
Badboy coming so I'm running away
Richboy coming so I'm running awayPoint the blame, picture frame
Playing by the rules why you're losing the game
Point the blame, windowpane
Losing 'cause you're playing by the rules of the gamePoint the blame, picture frame
Playing by the rules why you're losing the game
Point the blame, windowpane
Losing 'cause you're playing by the rules of the game
