

Superfantastic

Mr. Big

He runs around like it's a monkey do situation
Reach sown into his soul and get nothing at all
Ride the wave in a bubble made of plastic
In a water color world that's
Superfantastic
Everything is beautiful, nothing's too tragic
When it comes to happy people
Bedtime stories, morning glories
Blue skies and the perfect life for you and me
Look into the eyes of the man and see
The main attraction living off the fat of the land

And standing tall Mr. Feel Good craves satisfaction
Like an all day sucker
Superfantastic
Everything is beautiful, nothing's too tragic
When it comes to happy people
Bedtime stories, morning glories
Blue skies and the perfect life for you and me
White bread, black tie
Big boys don't cry
