

# Wait And Bleed

## Slipknot

I felt the hate rise up in me  
Kneel down and clear the stone and leaves  
I wander out where you can't see  
Inside my shell, I wait and bleed I felt the hate rise up in me  
Kneel down and clear the stone and leaves  
I wander out where you can't see  
Inside my shell, I wait and bleed Goodbye I wipe it off on a tile, the light is brighter this time  
Everything is turning blasphemy  
My eyes are red and gold, the hair is standing straight up  
This is not the way I picture me I can't control my shakes, how the hell did I get here?  
Something about this, so very wrong  
I have to laugh out loud, I wish I didn't like this  
Is it a dream or a memory? I felt the hate rise up in me  
Kneel down and clear the stone and leaves  
I wander out where you can't see  
Inside my shell, I wait and bleed Get outta my head 'cause I don't need this  
Why didn't I see this?  
Well, I'm a victim Manchurian candidate  
I have sinned by just makin' my mind up  
And taking your breath away I felt the hate rise up in me  
Kneel down and clear the stone and leaves  
I wander out where you can't see  
Inside my shell, I wait and bleed I felt the hate rise up in me  
Kneel down and clear the stone and leaves  
I wander out where you can't see  
Inside my shell, I wait and bleed Goodbye You haven't learned a thing  
I haven't changed a thing  
The flesh was in my bones  
The pain was always free You haven't learned a thing  
I haven't changed a thing  
The flesh was in my bones  
The pain was always free I felt the hate rise up in me  
Kneel down and clear the stone and leaves  
I wander out where you can't see  
Inside my shell I wait and bleed I felt the hate rise up in me  
Kneel down and clear the stone and leaves  
I wander out where you can't see  
Inside my shell, I wait and bleed And it waits for you And it waits for you
