She Keeps Me Up

Nickelback

She's got me nervous
Talkin' a hundred miles an hour
She's more than worth it
I swear she smells just like a flower
I'd fall to pieces if I went anywhere without her
I love when she says, what's wrong with right here on the counter?Funky little monkey, she's a twisted trickster
Everybody wants to be the sister's mister
Coca-Cola roller-coasterÂ
Love her even though I'm not supposed to.Funky little monkey, she's a twisted trickster
Everybody wants to be the sister's mister
Coca-Cola roller-coasterÂ
Love her even though I'm not supposed to.She keeps me up (I keep you up)
She keeps me up (I keep you up)
All night (All night)
All night (All night)She keeps me up (I keep you up)
She keeps me up (I keep you up)
All night (All night)
All night (All night)I need her so bad,
Sometimes I feel like I can taste it
This evil romance
So good I never wanna waste it
I can't trust my friends
'Cause she's what everybody chases
I know where she's been
'Cause it's on everybody's facesFunky little monkey, she's a twisted trickster
Everybody wants to be the sister's mister
Coca-Cola roller-coasterÂ
Love her even though I'm not supposed to.Funky little monkey, she's a twisted trickster

All night (All night)
All night (All night)She keeps me up (I keep you up)
She keeps me up (I keep you up)
All night (All night)
All night (All night)I never wanna have to slow down
Got to be a better way to come down
I've gotta stay awake some howI never wanna have to slow down
