

Latitudes & Attitudes

Eric Stone

LATITUDES AND ATTITUDES " by Eric Stone

(Intro)

Smooth seas and blue skies, palm trees and sunshine await me in new latitudes.
Pirates and treasure, ordeal or adventure; the only difference is attitude.

(Verse 1)

So I'll raise my glass, then raise the sails, and toast the world from the bough.
Say farewell to my land-locked life, throwin' in the towel.
Wherever my journey takes me, I'll take time to unwind,
'Cos paradise is not a place, it's a state of mind.

(Chorus)

And my mind is made up. I'm going to sail away.
Latitudes and attitudes will help me find my way.
With my Lovin' Cup, a little salt and a lick of lime.
I'll set my course for adventure - of course on Island Time!

(Verse 2)

Cruising chicks and sailor dudes all are taking part.
Latitudes and attitudes have crept inside their hearts.
Sailing yachts, motor tugs, and trollers of all kinds
are out to see what they can see on oceans far and wide.

(Chorus)

(Bridge)

The ocean is my highway. Upon the seas I ride.
I'm tradin' in my Harley for a boat and changing tides!

(Chorus)
