You Can Count On Me

Taddy Porter

You can count on me (you can count on me)
You can count on me (you can count on me)
Iâ€™m as sweet as can be
Sweet like a honey bee
You can count on me

Iâ€™ll be coming around (Iâ€™ll be coming around)
Iâ€™ll be coming around (Iâ€™ll be coming around)
I want your mama to see
That Iâ€™m as nice as can be
She can count on me

Any time, any time of day
Iâ€™m alone, run for day
I want you to believe

Woke up this morning, rise and shine
Trading my coffee for a glass of wine
Iâ€™m trying to get to you on time
So Iâ€™m picking up the keys, donâ€™t cross the double yellow lines

You can count on me (you can count on me)
You can count on me (you can count on me)
Iâ€™m as sweet as can be
Sweet like a honey bee
You can count on me

Iâ€™m your honey bee
You can count on me
You can count on me
You can count on me
