

In the Shadows

The Rasmus

No sleep, no sleep until I'm done with finding the answer
Won't stop, won't stop before I find the cure for the this cancer
And sometimes I feel like going down and so disconnected
But somehow I know that I am haunted to be wanted

Chorus

I've been watching, I've been waiting in the shadows for my time
I've been searching, I've been living for tomorrows all my life

In the shadows
In the shadows

They say that I must learn to kill before I can feel safe
But I, I'd rather kill myself than turn into their slave
And sometimes I feel that I should go and play with the thunder
Cause somehow I just don't wanna stay and wait for a wonder

Chorus

Lately I've been walking, walking in circles, watching, waiting for something
Feel me, touch me, heal me, come take me higher

Chorus

I've been watching, I've been waiting
I've been searching, I've been living for tomorrows

In the shadows
In the shadows

I've been watching
