

# Life Of Saturdays

## Dexter Freebish

I just wanna sail the seven seas  
And hide behind the sun and never close my eyes  
Lay on my back and fantasize  
Of the perfect place to be  
I wanna see the Mona Lisa  
Climb the Pyramids of Giza on a moonlit night, yeah  
Oh I just wanna fantasize  
Of the perfect place to be  
I just wanna disappear and feel like I'm free at last  
The time is right, my day has come  
It's gonna start today  
My life of Saturdays  
I wanna see the Seven Wonders  
Feel the rolling thunder of a Spanish sky  
Lay on my back and fantasize  
Of the perfect place to be  
I wanna swim the deepest ocean  
Be poetry in motion on a Paris night, yeah  
I just wanna fantasize  
Of the perfect place to be  
I just wanna disappear and feel like I'm free at last  
The time is right, my day has come  
It's gonna start today  
My life of Saturdays  
I go around the world in eighty ways  
I'll never slow down, never fade away, oh  
I just wanna sail the seven seas  
And hide behind the sun and never close my eyes  
Lay on my back and fantasize  
Of the perfect place to be  
I just wanna disappear and feel like I'm free at last  
The time is right my day has come  
It's gonna start today  
I just wanna disappear and feel like I'm free at last  
The time is right my day has come  
It's gonna start today  
My life of Saturdays, yeah  
Oh where will I go  
Yeah where will I go

Oh where will I go
