

# She's My Kind of Rain

Tim McGraw

She's my kind of rain  
Like love in a drunken sky  
She's confetti falling  
Down all nightShe sits quietly there  
Like water in a jar  
Says, "Baby why are you  
Trembling like you are?"So I wait and I try  
I confess like a childShe's my kind of rain  
Like love from a drunken sky  
Confetti falling down all night  
She's my kind of rainShe's the sun set shadows  
She's like Rembrandt's light  
She's the history  
That's made at nightShe's my lost companion  
She's my dreaming tree  
Together in this brief  
EternitySummer days, winter snows  
She's all things to beholdShe's my kind of rain  
Like love from a drunken sky  
Confetti falling down all night  
She's my kind of rainSo I wait and I try  
I confess all my crimesShe's my kind of rain  
Like love from a drunken sky  
Confetti falling down all night  
She's my kind of rainShe's my kind of rain  
Like love from a drunken sky  
Confetti falling down all night  
She's my kind of rainShe's my kind of rain  
Ohh, rain on me  
She's my kind of rain
