

Footsteps

[nelo](#)

Well, Iâ€™d know what to do if I could keep from pacing
Weâ€™ll show it all to you and make it right in me
I guess weâ€™re almost through, you know just what Iâ€™m saying
Weâ€™ve echoed through to you, youâ€™re gonna love this too
Oh yeah, you already do

Oh, my baby, thereâ€™s a light outside
I must be crazy to be wasting time
And if I could be wrong- well, are you alright?
Iâ€™ll go running tonight

Intention makes here all my life- oh
Divided thoughts today wonâ€™t dance away the brave
Weâ€™re gonna bathe in you until you just canâ€™t stand it
And I should say the day will come my thoughts will fall away
Yeah, oh they fall away today, yeah

Oh, my baby, thereâ€™s a light outside
Thereâ€™s a light outside
I must be crazy to be wasting time
And if I could be wrong- well, are you alright?
Iâ€™ll go running tonight

Oh yeah, and so weâ€™ve come to play- a dream of peace, weâ€™ll push it through
Iâ€™d like to keep it there â€“ I know you know Iâ€™ve prayed for you
And all weâ€™ve come to know, well itâ€™s thrown all away
So seek a bigger heart to make this stay
