All religions make me wanna throw up
All religions make me sick
All religions make me wanna throw up
All religions suckThey all claim that they have the truth
That'll set you free
Just give them all your money and they'll set you free
Free for a feeThey all claim that they have the answer
When they don't even know the question
They're just a bunch of liars
They just want your money
They just want your consciousnessAll religions make me wanna throw up
All religions make me sick
All religions make me wanna throw up
All religions suckAll religions suck
All religions make me wanna throw up
All religions suck
All religions make me wanna bleahThey all claim that they have the truth
That'll set you free
Just give them all your money and they'll set you free
Free for a feeThey all claim that they have the answer
When they don't even know the question
They're just a bunch of liars
They just want your money
They just want your consciousnessAll religions make me wanna throw up
All religions make me sick
All religions make me wanna throw up
All religions suckAll religions suck
All religions make me wanna throw up
All religions suck
All religions make me wanna bleahThey really make me sick
They really make me sick
They really make me sick

They really make me sick
They really make me sick
They really make me ill
