

# When You Belonged to Me

Mark Collie

I woke up in your arms last night  
But you weren't laying by my side  
Desperately dreaming of the way it used to be  
When love was innocent and you belonged to me  
I walked out in the cold night air  
Half expecting you'd be there  
But there was no one on the dark and empty street  
Just a memory when you belonged to me  
I must have been crazy I must have been blind  
To think I could live one day without you on my mind  
Here in the darkness, my lonely heart can see  
I had everything when you belonged to me  
Here in the darkness, my lonely heart can see  
I had everything when you belonged to me
