

# Don't Give Up

## Damien Leith

I know what you want

I know what you need

I feel I'm fighting just to show you sometimes

With words you cannot hear

there's times you cannot see

I feel I'm lost without you

And I won't let you down

I won't let you down

If you won't give it up,

Let it go

Find another place where you can let it out

Let it in

Don't hold back another day is happening

No matter what they say

or how it's gonna be

These constant cravings lead to nothing

When everyone is wrong

Nothing makes much sense

All that's left are hopes and promises and

I won't let you down

I won't let you down

And I won't let you down

I won't let you down

If you won't give it up,

Let it go

Find another place where you can let it out

Let it in

Don't hold back another day is happening

When all the lights go out

don't give up

When everything collides

don't give up

the sun gets in your eyes

don't give up

Don't let it fall.

And I won't let you down  
I won't let you down  
If you won't give it up,  
Let it go  
Find another place where you can let it out  
Let it in  
Don't hold back another day is happening
