

# Immanuel

## The Maranatha! Singers

Look inside my mind Immanuel  
Help me to find a place for myself  
I know this world is cruel  
But I am just, just as bad Am I losing my mind, oh, Immanuel?  
Am I closer this time, oh, Immanuel?  
Constant debating  
Am I closer this time, oh, Immanuel? You're the same as me, I know this is true  
Why do I do the things that I do?  
I know this world is cruel  
But I am just, just as bad Am I losing my mind, oh, Immanuel?  
Am I closer this time, oh, Immanuel?  
Constant debating  
Am I closer this time, oh, Immanuel? No time to make peace for me  
I wait for this to find a way  
I will try to make a better day  
I need your help the only way Am I losing my mind, oh, Immanuel?  
Am I closer this time, oh, Immanuel?  
Constant debating  
Am I closer this time, oh, Immanuel? Am I going crazy?  
Am I losing my mind?  
Am I going crazy?
