

Letting Go

Bethel Music & Steffany Gretzinger

You've brought me to the end of myself
And this has been the longest road
Just when my hallelujah was tired
You gave me a new song
I'm letting go
I'm letting go
I'm letting go
Falling into you
I confess I still get scared sometimes
But perfect love comes rushing in
And all the lies that screaming inside go silent
The moment you begin
I'm letting go
I'm letting go
I'm letting go
Falling into you
You remind me
Of things forgotten
You unwind me
Until I'm totally undone
And with your arms around me
Fears was no match for your love
Now you 've won me
I'm letting go
I'm letting go
I'm letting go
Falling into you
